Student

## PROFILE

I am currently pursuing a Bachelor of Computer Applications (BCA), where I am developing expertise in various programming languages and software development. My academic journey has not only strengthened my problem-solving skills but also sparked my interest in the field of cybersecurity, where I am actively expanding my knowledge. In addition to my technical pursuits, I am passionate about cars and music, which inspire my creativity and determination. My diverse interests, combined with my dedication to learning, allow me to approach challenges with a unique and multifaceted perspective.
